

WHEN LIVES ARE ON THE LINE

RELIABILITY & SECURITY MATTERS

ADVANCED OUTDOOR SYSTEMS

MODERN SOLUTION | PURPOSE BUILT TECHNOLOGY

Engineering Advancement Since **1993**

Intelligible Acoustics Design

SiRcom has redefined the industry standard for outdoor warning sirens, delivering clear, intelligible alerts that can be heard from miles away. Our commitment to engineering excellence and innovation sets us apart from imitators, as our intelligible sirens showcase pioneering design and advanced audio drivers. Since 1993, we have remained at the forefront of acoustics technology, continuously pushing boundaries and raising the bar for others to follow. Trust SiRcom to provide unmatched sound quality and clarity, ensuring that crucial information is effectively communicated in life safety situations.

Continuous Advanced R&D

SiRcom engineers continually enhance sirens and components for maximum reliability, security, and effectiveness. Our investment in modern technologies like machine learning and wireless secure communications simplifies life safety solutions. Today, SiRcom is the trusted choice of public safety officials, setting the gold standard in the industry. Experience advanced life safety technology with SiRcom

Simplifying Chaos Management

SiRcom offers fully integrated indoor and outdoor life safety solutions for organizations of any size or industry. When it comes to managing emergencies, our user-friendly solution provides reliable capabilities for effective communication. Trust SiRcom to safeguard lives and ensure the simplicity and effectiveness you need.

TODAY Most Capable Solution

SiRcom is capable of providing flexible purchasing options through our network of certified value-added resellers. Sole-source contract vehicles & cooperative purchasing services can help any public organization save time and resources.

SiRcom's Full Mass Notification Suite & Integrations Capabilities

SiRcom offers a comprehensive solution that integrates all aspects of life safety alerting into a single, unified management system. Our solution encompasses a wide range of indoor and outdoor mass notification capabilities, including public address systems, alert displays/signs, electronic alerting (SMS text, voice calls, emails, social media posts, desktop alerts), FEMA IPAWS alerts, intelligible voice outdoor sirens, and various security/life safety sensors.

With SiRcom's SMART Alert Software (SiSA) at the core, organizations can centrally manage all endpoints and communication channels. This streamlined approach ensures efficient emergency management and public safety operations, enabling swift and effective communication during critical situations. Trust SiRcom to simplify life safety alerting, providing organizations with a unified and efficient solution that empowers effective and seamless communication in any emergency.

SiRcom is capable of providing flexible purchasing options through our network of certified value-added resellers. Sole-source contract vehicles & cooperative purchasing services can help any public organization save time and resources.

■ **World’s Most Advanced Clear Voice Sirens**

SiRcom has been manufacturing the world’s most reliable and capable sirens since 1993. SiRcom sirens are installed in over 30+ countries worldwide, providing Wildfires, Tsunamis, Rain Storms, Snow Storms, Tornadoes, Hurricanes, Earthquakes, Flash Floods, Active Shooters, Pandemics, Civil Disturbances, and Terrorist Attacks emergency early warning protection. With over 30+ years of experience in engineering and designing sirens, SiRcom’s engineers have designed the world’s most reliable intelligible voice sirens that are unmatched by the other legacy sirens in the market today. No matter the size or scope of the requirement, SiRcom’s early warning siren solutions can integrate into your existing or brand-new early warning systems plan.

Model	Number Of Horns	RMS Watts*	dB(C) 100' (30 m) 180°	Effective Range** 180° Radius @70 dB (C)	dB(C) @100' (30 m) 360°	Effective Range** 360° Radius @70 dB(C)
SyCon#S	2	300	109 dB (C)	600m (2000')	103 dB (C)	410m(1370')
SyCon#MS	4	600	115 dB (C)	730m (2400')	106 dB (C)	450m(1480')

SyCon#4xl	36	5400	137 dB (C)	6200m (20300')	131 dB (C)	3600m(11800')

■ **Key Features**

Flexibility In Alert Types	Intelligible Voice Alerts	Clear Tone Alerts	Music & Custom Sound Alerts
Flexibility In Alerting	Activate All Sirens	Activate Zone of Sirens	Activate A Single Siren
Flexible Design	Omnidirectional	Directional	Bidirectional
Reliable Design	All Weather Resistant	UV Damage Resistant	Easy To Maintain

■ **Capable Solution**

*Components or major end items can be provided that meet the above specifications.

SiRcom is capable of providing flexible purchasing options through our network of certified value-added resellers. Sole-source contract vehicles & cooperative purchasing services can help any public organization save time and resources.
